Aramark is giving out a lunch kit to everyone who works.... Pre-packaged sandwich and chips.. CONE style cups, or cups with lids are the only cups allowed per Aramark and the Health Department.... I Recommend that Leaders, Inventory and Accountant personel arrive no later than 3 1/2 hours before game time... get organized before the rest of the v olunteers arrive or it will be caos... Accountants, make sure you have plenty of deposit tickets, rubber bands, and paper clips before you walk out of the Counting Room getting your bank to start the night... First deposit needs to be for the full Bank withdrawl... Last year that was \$2,500.00 and even in the last couple of games we made that just before 1/2 time plus enough to keep all the kids going with change.. Last year we setup \$80.00 Banks for everyone... The person counting money and making banks does not need to be bothered...., Otherwise

keep the kids in the stands until halftime, give them a break and then keep them in the stands until middle way thru the 3rd quarter... DON'T LET THE KIDS HANG OUT IN FRONT OF THE BOOTH.....

Cheryl and Curt Browning will be running the booth for the Sept 18 Game

Jan Badstein will be handling money for the Sept 18 Game

Curt or Cheryl will assign the 6 or so parents who will work in the booth selling slushies or stocking trays.

ALL OTHER WORKERS should hawk in the stands and not hang out in the commons area. The only way we make money is by selling items in the stands...we can't do this from the commons area.

Thanks for your work!!!!
