10/29		Specifically Non-Marchers and Parents work this Event
11/26		Thanksgiving Weekend

A Combination of 40 Parents/Students are needed for each event. Workers should be around 16yrs old or older (Freshmen are allowed to work). As we get kick-off times, we will let you know. Generally, you must show up 2 hours before Kick-Off. This is our single biggest money-maker for the year. All band families should plan to work AT LEAST 2 football concession events.

For each event this year, we will organize a central meeting place for a car-pool. Those families who participate in the car-pool will not have to pay to park. However, those families who do not participate in the car-pool should plan to pay for their own parking. Wes Tilley or Mr. Carter will have more details as we get closer to the concession events.

If you have questions, feel free to ask.
